

# SHEPHERD STAFF

## 3<sup>RD</sup> QUARTER (July, August, September) 2022

Dear Good Shepherd Ohana:

At long last I am able to write to all of you as the Rector of Good Shepherd Church, rather than the priest in charge. This means that I am with you permanently, rather than on a three year contract. I want you all to know how pleased I am about that. As many of you know, I have been trying to return to Maui for many years and I am so happy that God has called us into ministry together and that Dixie and I can plant roots here and settle in to life and work at the church long term.

Another thing that I'm excited about is my long awaited trip to the Philippines with Dixie this month where and we plan to go on an eight-day silent retreat bookended by some time in Makati and Intramuros. Dixie and I typically travel to the Philippines 3 to 4 times a year and we have not been able to go since February 2020. We hope to broadcast at least one Chicken Chat from Manila.

I'm also very excited about the Sunday school that we have started and when I popped my head in at the first session, everyone looked really engaged and was having a good time, which is what Sunday school should be all about.

I shall close here with a personal expression of thanks to all of you for welcoming me back into your fold and for the joy that you share with me and Mission and Ministry and our love of the Lord. Good Shepherd is a very special place and I feel so blessed to be here with all of you.

Peace,  
Moki+

PS: Please save the date for September 10 at 10:00 AM for a special service at the church where Bishop Fitzpatrick will formally install me as the permanent priest.

Peace,

*Moki+*, Rector

Dear Fellow Good Shepherds,

It is July...mid summer and a time to relax and refresh...for most of us. Our country has celebrated passing of another year as has your Senior Warden...and a very interesting year it has been. We have started to, sort of, move into a post pandemic state of being. Nonetheless it is still crucial that we maintain reasonable health protocols so we continue in that direction. I am well aware that we are weary of this pandemic but it's not over yet.

In the meantime there's much to look forward to. The Rev. Robert Moki Hino has been called and has accepted to be our Rector which became official on June 1st...the newly remodeled Rectory is nearly finished and Moki and Dixie should move in by August 1...I feel a party coming on. Speaking of parties, Fr. Moki will be formally installed on Saturday, September 10th at 10am by Bishop Fitzpatrick followed by a catered lunch. Put that in your calendars and plan on wearing red. It will be a festive start to Fall.

There will be other things to look forward to. The holiday season will be right around the corner and the relaxation of summer will give way to the busy-ness of fall and we will make the best of it all as we continue to stay safe and stay healthy.

Faithfully yours,

*K. Peter Lee*, Senior Warden

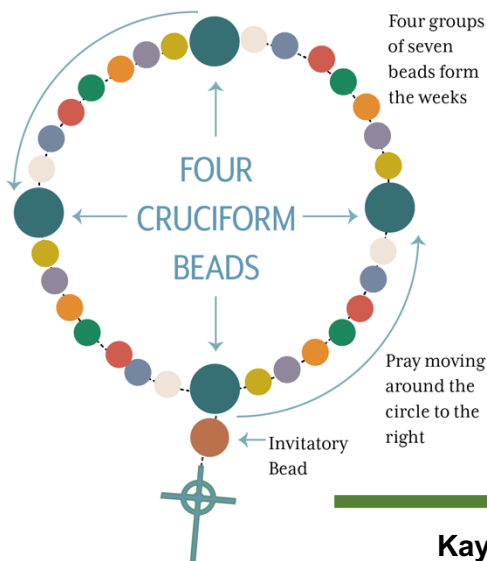

## COVID prevention protocols

At Good Shepherd Episcopal Church, masks are no longer required, but highly encouraged. Congregants and visitors are encouraged to always have a mask available to wear when in close proximity to others; this policy is subject to change with the circumstances as necessary based on community spread.

Regarding other preventative measures:

- Vaccination remains required of all clergy and employees, as well as volunteers who participate in community ministries (meal ministries, home visitors, etc.) Vaccination is no longer required (but still encouraged) for all church volunteers (i.e. lectors).
- Anyone with covid-like symptoms, even if "just under the weather" are kindly asked to refrain from attending in-person activities until symptom-free.
- Until further notice, in worship services:
  - The passing of the peace will remain stationary,
  - The celebrant will cover the elements with a purificator while presiding over the communion elements and will wear a mask while distributing communion.
  - Communicants are to continue wearing a mask to receive the sacrament.
  - Distanced seating is encouraged, but not required.
  - Masks while greeting the priests after service are encouraged.

**Kayela Blair Santiago**, daughter of Lucy & BJ Santiago, recently received her Master's Degree in Occupational Therapy at A.T. Still University, School of Health Sciences in Mesa, Arizona. She will be moving back to Maui in July to start her last fieldwork rotation at Makawao Elementary School. Following her rotation, she will take her board exam and apply for her Hawaii State Licensure to be a Registered Occupational Therapist and practice on Maui. She aspires to work with either the older adult or the pediatric population. She is open, however, to working with any population, as her goal is to provide care and help to all. As an occupational therapist, her overall goal is to provide holistic care to every individual by facilitating client-centered approaches to increase independence, autonomy and overall health and well-being. Kayela enjoys outdoor activities such as hiking, swimming, and playing sports. As a youth of Good Shepherd, she was an active member of the youth group. She attended New Beginnings and traveled to Minnesota as an Episcopal Youth Event (EYE) delegate. She participated in youth bible studies, Adopt A Highway clean ups, Ka Ohana Kitchen, Lock-Ins and was an Acolyte and in the Jr. Youth Choir. Her Senior Project at King Kekaulike High School was dedicated to ACCW which she raised money to donate to the organization.

## A MESSAGE FROM ACCW PRESIDENT

Aloha and what a busy and blessed time it has been for ACCW!

Besides continuing the Central Maui Runs, in March and April the Van joined the MMEU (the Maui Police Department Mobil Medical Educational Unit) and CORE (Critical Outreach and Response through Education) Program in Paia on Monday mornings in the Paia Municipal Parking lot. So many served! Upwards over 60+ each time.

Then in May, the MMEU and CORE program moved to Kihei on Mondays and the ACCW Van followed. But in this area, the Run teams went searching for more unsheltered, finding old friends and meeting new ones on the streets. The wonderful MPD program planned to shift to another location in June, and the Board needed to decide whether to continue to follow the MPD folks or continue to serve Kihei on a regular basis. Realizing how consistency can be so important to developing relationships and trust on the streets, the Board decided to continue to serve Kihei.

So more news: the Kihei Runs are now on Sundays as we used to do. The Central Maui Runs have moved to Thursday mornings. Why Thursdays? Those we served were polled and on Thursdays other ministries and programs like Maui Rescue Mission, various Mental Health services, and the Salvation Army also reach out to the unsheltered and due to costs of gasoline some folks only show up on Thursdays and prefer a day when multiple services are offered. So far that transition has been smooth.

And more news! We'll be getting some more of our priests on Thursday Runs too! (I should mention Fr John Hau'oli Tomoso continues to be a dedicated volunteer!) Fr Moki Hino went on a Run Thurs June 2nd to offer prayers and Holy Communion to those who wanted them. We learned that the thirst for the Holy Spirit is equally great, if not greater, than the bodily thirst for water on the streets.

Many, many thank you's for the fantastic Supply Team who package together the snack packs and hygiene packs for the Runs; as well as sorting all the donations, folding and labeling them, organizing the Supply Room, shopping, carrying, lugging, hauling, and anything else needed to keep this ministry going. Special thanks to Ruth Eisen for the thousands (yes, really!) of q-tip packs she makes and to Jean Fiddes for the thousands (yes again!) of first-aid packs she makes. And we can't forget the Wailuku and Kahului Hongwanji Buddhists, Trinity team, and Rev Linda and Dr John Deckers for the thousands (true!) of Peanut Butter & Jelly sandwiches! (Please reach out to any of these Supply Angels if you'd like to help with these amazing "behind the scenes" ministries).

We'd love to have you join our Runs – share our tears, prayers, and sometimes laughter with those we serve. If you were a past volunteer, or thinking about riding as a guest to see what goes on – please call the ACCW phone (808) 419-1637, or my email: deblynchstudios@gmail.com, or wave me down wherever you find me, and we'll get you on a Run.

This ministry has weathered the pandemic like a small, but mighty, ship in turbulent seas, rising over waves, scary drops, but then steady as she goes. God watches over us and I believe He loves the heart we have for the ones cast aside and forgotten. As one of those we served smiled and said, "You guys are just like what I read in the Bible!"

Please pray for the ACCW ministry, and for all people suffering. There is so much sorrow in the world now – like small candles in the night, ACCW does help bring comfort.

Peace today,

*Deb Lynch*

## **WANT TO HELP ACCW?**

### **CAN YOU MAKE A PEANUT BUTTER AND JELLY SANDWICH?**

If so, you can help A Cup of Cold Water feed the unsheltered community on Maui. The first two Sundays of each month, after its 9 am Sunday Eucharist Service, a various group of volunteers from Trinity Episcopal Church By-the-Sea, 100 Kulanihakoi Street, Kihei, work in the kitchen of Kilolani Hall (starting around 10:15 am) to make PBJ sandwiches that are handed out on ACCW runs that week.

### **ITEMS NEEDED AND REQUESTED FOR DONATION**

A Cup of Cold Water's shelves are becoming empty. They have given generously to all in need but now they find that they are in need themselves. There have been many changes, novel attempts to better serve, increasing prices and low levels of volunteers thru out the pandemic. As a result, we find some of our shelves extremely short of certain items. If you can help, we need shorts and/or jeans, tshirts – especially in larger sizes and dark colors, towels, rubber slippers and big paper shopping bags. They would also welcome various hygiene items in small sizes – like travel size – soap, shampoo, toothpaste, deodorant. These can be collected at your parish and delivered to Good Shepherd Church. St. John's has a box in the parish hall for this purpose which is collected weekly. If you have any questions or would like to help, please contact either Deb Lynch or Marilyn Hirashima – 808-878-1866.

### **RUBBAH SLIPPAH DONATION TO A CUP OF COLD WATER**

Because the Shepherd Staff has gone quarterly, donations sponsored by GSEC Women in Ministry will also be collected quarterly. That will give more time and opportunity for more donations.

Donations requested for the 3<sup>rd</sup> quarter is "Rubbah Slippahs". Our annual appeal for slippers will be distributed to our unsheltered friends in Central Maui and Kihei during their weekly Thursday and Sunday runs, respectively.

Please bring a pair or two, gently used or new, to any Holy Eucharist service, and drop them off in the basket provided. Or you may stop by the parish office during working hours.

Please note that donations to ACCW are welcome at any time throughout the year.

Check donations are payable to: A Cup of Cold Water.

Mahalo in advance and for your continued support!
