APRIL 2018

In the ancient church it was dangerous to be a Christian, a member of an outlawed society. New converts would slowly and patiently be introduced to the faith as catechumens, or students. They would be "hearers of the word", and would leave the church after the reading of the scriptures and the sermon, as they were not yet ready to be lead into the "mysteries"; only after baptism were they ready to receive the Eucharist and be lead into deeper teachings in the faith.

Easter is about being lead into the mysteries of the faith. It is really one service, spread over three days:

Maundy Thursday, Good Friday, and Easter. In the ancient church they called it "being lead into the mysteries". You hear it today in the liturgy when the priest says "Let us proclaim the mystery of faith". We respond by saying, or singing, "Christ has died, Christ has Risen, Christ will come again."

Emile Nolde The Last Supper. Early 20th century

The Three Days is about participating in that mystery. It is hinted at Palm Sunday, when we leave the church in silence after hearing the Passion of Our Lord read. It continues on Maundy Thursday as we re-enact the Last Supper and Jesus' washing of the disciples feet. We enter into the dark mystery of Good Friday and adore the hard wood of the cross on which the Prince of Glory died, and then at the Easter Vigil, Easter Sunrise service and Easter liturgies when we celebrate the risen Lord.

We will see you on Easter. But let me lead you, invite you, plead, beg, cajole, arm twist ... to be lead into the Deep Mysteries of the faith in those three holy days, when once more time stands still as eternity is revealed in that sacred mystery: Christ has died, Christ is risen, Christ will come again.

Calling for Greeter & Ushers!

Aloha everyone! As some of you may be aware, our faithful Greeter/Usher of several years, Alex Davis, is taking a rest from his Greeter/Usher duties at the 0700 am and 0900 am Sunday Services.

We have recently formed teams of Greeters/Ushers for our 0700 am service, but we need a few folks for the 0900 am Service and if possible, the 5:00 pm Saturday Service to "offer themselves" to this important ministry!

We have formulated a GSC Greeter/Usher handbook and will conduct an in-service training for our 0700 am teams soon. It is our goal to be able to also train a few folks from the 9:00 am Sunday service and, if possible the 5:00 pm Saturday Service! Contact Keku Akana at his cell phone @ 264-6783, asap if you desire to partake in this ministry of hospitality.

Greeter/Ushers Primary Duties:

The Greeter/Usher ministry is a vital part of the worship service. Its purpose is to show a friendly face, ensure that guests, visitors and parishioners' needs are met, and that our service flow smoothly by properly preparing for worship, and that the church is prepared for the next service.

Greeter/Ushers Primary Duties:

Our objective as a Greeter/Usher at any service is to greet EVERYONE and show radical hospitality by offering plenty smiles and warm "ALOHA'S". The Greeter/Usher introduces themselves to guests & visitors and always asks new guests if they are familiar with the Episcopal style of worship. If they are not, the Greeter/Usher offers a quick introduction to the service (bulletin, hymnal, Book of Common Prayer, etc.) and perhaps directs them to sit with a parishioner who might help them through the service. The role of the Greeter/Usher is very important to parishioners and visitors alike. The Greeter/Usher *makes everyone feel welcome* when they enter the church, helps them find seats, and ensures that everyone is informed of what is expected during the service. The Greeter/Usher represents the entire congregation in helping to prepare the offering of monetary oblations, along with the Eucharistic gifts of the bread and wine. After the service, the Greeter/Usher makes sure that guests are invited to sign the guest book and are welcomed to the coffee hour. The Greeter/Usher picks up used bulletins and returns prayer books and hymnals to the pew racks, ensuring that the church is ready for the next service and/or the church is in order at the close of the day.

Being a Greeter/Usher at the Church of the Good Shepherd is an extremely important ministry as they are very often the first person guests, visitors and newcomers encounter as they visit our church.

Greeters/Ushers can ***play a key role in church growth!***

A Greeter/Usher is usually scheduled to serve once a month and all are welcome to join this crucial ministry. Joining the Greeter/Usher Ministry Team is a wonderful way to meet new and old members of the Church of the Good Shepherd. Persons interested in sharing in this ministry should notify the Rector, Senior Warden or one of our faithful Greeter/Ushers!

Amended 2018 Budget

Vestry has amended the 2018 budget after feedback at the 2018 annual meeting in January.

There was an anomaly regarding capital improvements with one revenue item left blank and a corresponding expense item not tallying accordingly.

At our February and March meeting treasurer Eddie Evangelista presented the amended budget. The budget remains balanced. The capital projects line items were corrected and harmonized. Capital improvements on the building are limited to what we can raise in the building fund through parishioner donations. The other changes are primarily in expanding the notes attached to the budget for greater clarity.

Vestry passed the amended budget in February. There are copies on the table at the back of the church for those who would like to receive one.

KA 'OHANA KITCHEN FOOD SAFETY CERTIFICATE

This is a reminder to all volunteers of Ka 'Ohana Kitchen that there is five (5) months left to receive your Food Safety Certificate.

The Department of Health has allowed 1 year to meet the food safety training requirement for food establishments. By September 1, 2018, every food establishment will need the Person in Charge (during all food prep & business hours) to be trained in Food Safety to keep Ka 'Ohana Kitchen in the "Green". Once you pass any of these courses, maintain a copy of their certification at your food establishment, available for inspection. If anyone was trained before 2014, they'll need new training.

The State of Hawaii, Department of Health, Food Safety Program offers a free 2.5 hour certification class on safe food handling practices. The Certificate is earned by attending the class and passing the test that follows at the end of the presentation. The certificate earned will meet the 2017 requirement (11-50-20(c) Food Protection Certification) of the Hawaii Administrative Rules, Chapter 11-50 Food Safety Code. The class also helps you understand and implement the sanitary requirements for proper food preparation, handling and storage.

The person-in-charge shall demonstrate knowledge of basic food safety by successfully completing a food safety course that is part of a department food safety program or other program approved by the department.

TO REGISTER FOR THE NEXT MAUI CLASS SCHEDULED FOR MAY 11, 2018, FRIDAY AT 8:30AM-11:00AM AT UH MAUI COLLEGE, go online to:

Youth Presence at Episcopal Church General Convention

Congratulations to Angela Cainguitan who has been chosen (out of 107 youth applicants across the US) to be one of sixteen youth delegates to the 79th Episcopal General Convention in Austin, Texas from July 5th—13th. Angela is one of two youths from Province 8 and the only one from Hawaii.

"Members of the Official Youth Presence will participate in a General Convention orientation and training April 5-8 in Austin to ensure they are ready for General Convention when they arrive in Texas on July 2," noted Bronwyn Clark Skov, Episcopal Church Director for Formation, Youth and Young Adult Ministries. "These young people will participate in every aspect of General Convention, from committee meetings to legislative deliberations on the floor of the House of Deputies, where they are granted both seat and voice."

It is an honor for Angela to be selected. Angela spoke passionately, at the annual diocesan convention, about her experience at the Episcopal Youth Event in Oklahoma last year. Many were moved by her faith, grace and maturity and received a standing ovation.

NEW! Episcopal Churches of Maui Join Together, Virtually

By Chuck Spence

Want to share the fellowship with Episcopalians that live on Maui? Looking for good fun and great events at other Episcopal Churches on Maui?

The four Episcopal Churches of Maui (Good Shepherd, Holy Innocents, St John's and Trinity By-the-Sea) have joined together, virtually, to form one website to promote events for all people to join in. On this website you can find things like Rummage Sale fundraisers and Workshops and Regional Confirmations.

Just go to www.mauiepiscopal.church (Note the new TLD or end of the website address is DOT CHURCH vs. the usual DOT COM or DOT ORG)

We hope you enjoy the new website and visit it often!

Good Shepherd is in the heart of our urban center, at least as "urban" as Maui gets. With numerous social service agencies, relatively affordable older housing, legal, government and medical services, we share our neighborhood with folks who struggle with poverty, substance abuse and homelessness. Most of our "guests" are troubled souls trying to cope with Maui's housing costs and their own personal challenges. Each one is created in God's image and we have huge compassion for them, which is why we run Ka Ohana Kitchen and host A Cup of Cold Water. We do not allow people to sleep on

our property, nor loiter, however.

In recent months we have seen improvements in having fewer people loitering and or sleeping on the property in large part because of the Wailuku Ambassadors program. Lawrence Kauha'aha'a has the contract for this program to try to divert some of our homeless folk with temporary work and intervene when there are problems. Lawrence is also the co-ordinator of our Queen Emma Athletic Club outreach at Good Shepherd. He has been very helpful in keeping an eye on the property, including serving trespass notices on people who have become problematic. This quiet and consistent presence has improved things, as people know that if they trespass, they will be asked to leave. Eventually word gets out and people change their patterns.

Vestry also ended our contract with a security company. We determined that the service wasn't enhancing the security of the property despite having employed them for many years.

We also have put in solar lighting in the parking lot after our plumbing repairs in 2016 took out the electrical line serving the parking lot.

We have been installing security camera's on the property. Installation began a few months ago. There will be a screen in the kitchen from which the camera's can be monitored, as well as from computers in the office. Security cameras mainly have a deterrent effect, as we will put up signage indicating that there is video surveillance. In the event of a problem we can review video footage and provide it to police after the fact.

Finally, we will install decorative metal fencing to secure the inner courtyard. Some of that fencing and gate is included in the memory wall project (along the front of the memorial garden to the corner of the church). As of March 12th we are still waiting for bids for that project and hope to get it started as soon as the bids are procured. Vestry approved enclosing the area between the parish hall, memorial garden and church in 2016. Building and Grounds will get the project costed out, and Stewardship and Vestry will consider raising additional funds to install decorative fencing and gates at the each end of the parish hall to match the fence at the columbarium.
