

# SHEPHERD STAFF

Dear Good Shepherd Ohana:

By the time you receive this message, I will have been with you here in Maui for eight months. That's 2/3 of a year. My time here has been vibrant, rich, and full and I have very much enjoyed meeting the challenge of evolving into a different kind of worshipping community in the midst of COVID-19. And there's more of us to get vaccinated, I'm feeling a real sense of hope on the horizon as we begin to see light at the end of the tunnel, albeit cautiously as we continue to wear our masks and socially distance.

I'm also sensing a real shift in our life here as we begin to address issues of our property and take care of maintenance that has been deferred on our commercial buildings. God has given us the gift of this land and facilities and I am pleased to see that we are taking good care of them as faithful stewards.

Our worship has been very engaging and I am amazed at the number of people we reach during the course of the week not only through our virtual services but also via Chicken Chat. I was also pleased with the results of our Lenten offerings: Centering Prayer, the Anglican Rosary, and our Stations of the Cross.

Now that we are in the Easter season, I ask that we all spend time in prayer and being open to insights from the Holy Spirit as to how we are called to be resurrected from the COVID-19 pandemic. I also ask that we bear in mind that we are only limited by our inability to dream and I am very excited about seeing how the coming years will unfold for all of us as we continue to grow closer to God and endeavor to bring that presents to as many people as we possibly can.

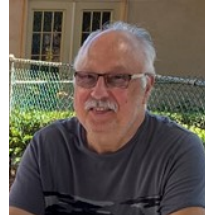

Happy Easter to you all!

*Moki+*

*Unfortunately, due to the pandemic, we will not be celebrating our Annual Potluck Easter Brunch and children's Easter egg hunt.*

Dear Brothers and Sisters,

April is upon us. We have celebrated Easter, the highlight of our Christian year. Again we participated in "blended" worship...partially virtual, partially live. The day will be here soon when we can do much more live, enjoy each other's company, share food, literally get closer. However, through this past year, we have learned of the value of virtual worship and how it can extend the Church well beyond our walls and even borders into the world. We have also learned that though it may not be to everyone's liking meeting online has given more people the opportunity to participate in all aspects of our Church life and will continue even after restrictions on travel are eased.

What will the next few months bring? It is anyone's guess. More vaccinations will mean fewer restrictions, especially on overseas travel and the slow process of reviving our economy. Our schools will get back into nearly normal operation giving our young people the social structure they so desperately need...and giving back to parents the routine they need as well.

So this Easter season, being traditionally a season of hope is moreso this year. There is so much to look forward to past the trials and tribulations we have been through. We are continually grateful to those who have helped us and continue to help us through these troubling times. We should also prayerfully continue and strengthen the bonds we formed because of them.

I wish you all the best of this season of Easter and all the better things sure to come.

Yours truly,

*Kenneth Peter Lee*, Senior Warden

*Each time he said,  
"My grace is all you  
need. My power  
works best in  
weakness." So now I

## GOOD FRIDAY OFFERING

The history of the Good Friday Offering reaches back to 1922 when, in the aftermath of World War I, The Episcopal Church sought to create new relationships with and among the Christians of the Middle East. From these initial efforts which focused on a combination of relief work and the improvement of ecumenical and Anglican relations, the Good Friday Offering was created.

Through the years many Episcopalians have found the Good Friday Offering to be an effective way to express their support for the ministries of the four dioceses of the Province of Jerusalem and the Middle East. Pastoral care, education and health care continue to be primary ministries through which the reconciling spirit of the Christian faith serves all in need. Participation in this ministry is welcome. The generous donations of Episcopalians help the Christian presence in the Land of the Holy One to be a vital and effective force for peace and understanding among all of God's children.

To make a donation to the Good Friday Offering by mail, please write a check payable to the Domestic and Foreign Missionary Society, write "Good Friday Offering" in the memo line, and mail to:
