

THE SHEPHERD IS HERE

Dear fellow Good Shepherds,

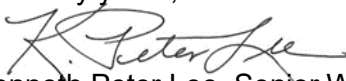

Again I write to you about what's going to happen without knowing what lay ahead. We are in a new reality and it will take some getting used to. Things are really never going to be the same and we need to be ready to deal with whatever comes our way.

There are a few things that are certain. By the time you read this, Vestry have decided and have chosen to receive the Rev. Cn. Robert Moki Hino. We look forward to him being with us as Priest-in-Charge and he will begin his duties on August 1, 2020.

Another bit of good news is that we have attempted to open our long empty Church and resume in person services. We will continue to broadcast the service online as seating will be limited. Now keep in mind that we have to work diligently to make this a success. We ALL have to do our part. We cannot expect to just attend a service and leave thinking that someone else has taken care of everything. You and I are that "someone else". We have to practice social distancing so seating is limited. We have to wear masks. We need to stay home if not feeling well and we need to encourage those who may be comprised to follow the service at home online. We need to sanitize the Church between services with volunteers or we need to be generous with our offerings so we can hire a service to do that. We need to be willing to follow instructions from our ushers to come and go safely and be seated, and that said, we need ushers. We need help with telecasting the service online, obtaining the proper equipment and procedures. We need to be prepared that the Eucharist has changed and that we will not be singing or responding for now. Fellowship after Church is temporarily suspended and we will share the Peace with smiles and gesture. The success of restoring services in our beloved Church depends on us all and we need to share how we can make things work and not complain about how much better things used to be.

Considering all that has happened and continues to happen we are blessed that we have managed to stay well and on course. There are other changes as well... there's new carpeting thanks to the tireless efforts of our Junior Warden, Louise Aloy and the termite riddled Sacristy toilet has been restored. Thanks be to God that we are where we are and pray that He watches over us as we head into a not so certain future.

Faithfully yours,

Kenneth Peter Lee, Senior Warden

A CUP OF COLD WATER UPDATE.....

As our modified (and very flexible) service to our own poor continues during this time, ACCW conducted one (1) Wednesday Central Maui Run on May 6, 2020 and three (3) supply service runs each Friday in May to the Kahului Salvation Army home base. Each Friday, the Salvation Army (SA) along with the Maui Rescue Mission shower/laundry ministry gather to serve our street poor and ACCW supplies SA with much needed food, hygiene, first aid packs and other essentials that SA and other outreach programs do not carry.

ACCW also supplied Ka Ohana Kitchen with six cases of water for their May 24th and May 31st hot meal ministry, which lead by the efforts of Junior Warden, Louise Aloy and others from the Good Shepherd Episcopal Church has continued to serve 60-90 homeless and poor every Sunday throughout the pandemic.

If any one of our ACCW volunteers or friends out there, (who may not be in any of the at risk categories and may feel safer serving in a controlled environment) have a desire to serve on one of their Ka Ohana Kitchen Teams on Sundays or has call to donate money or food directly to their weekly efforts (or better yet..create and serve with their own church/organization team!)in a very safe and controlled manner with mandated safety protocols in place, please call GSC office! And of course, ACCW is always looking for more Volunteers...especially as we slowly re start our mission runs.

Every outreach ministry of our greater community could use your help... KA OHANA Kitchen is one of the oldest shared ministries to the poor on Maui and has served thousands of hot meals (average 50-80 each Sunday) from the GSC parish hall to primarily our homeless and poor families, every Sunday for 18+ years now!....We are running a marathon to the Cross of Calvary, and the need will be even greater as the year progresses.

OTHER:

One of the things we have been very thankful for and what makes ACCW "special" to our street poor: is our diverse stock and supplies which are distributed to our street poor on a weekly basis for the past 7 years.....toilet paper, feminine hygiene, towels, , hand towels, clothing, tarps, sheets, back packs, socks, reading glasses, q-tips, can openers, quality first aid packs, diverse hygiene items, ponchos, jackets, rubber slippers, foot wear chilled water.....Many of these items are not carried by any of the other primary outreach ministries on a regular basis.... Thus, the effort to supply the Salvation Army with some of these supplies throughout the pandemic....

Our Buddhist sisters and brothers have also been in touch with ACCW, and are on stand-by, ready, willing and able to continue their Peanut Butter and Jelly Sandwich deliveries, once things return to "full normal".

Thanks to all of you who have volunteered of your time, effort, money, donation's and support throughout the 7+ years ACCW has been operating on the streets of Maui No Ka Oi..... Deb Lynch, ACCW BOD and all of our wonderful volunteers and friends...

Class of 2020

Sean Brown is the son of Larry and Cora Brown and graduated from Moody Bible Institute, Chicago with a degree in Biblical Studies. Sean believes God is calling him to mission work and full time ministry. He spent his first two years in Spokane, WA and transferred to finish his degree in Chicago. Sean studied abroad during his spring semester of 2019 in Germany and Switzerland. While in college, he has been active in evangelism and participated in a church plant called River Stone Chapel in downtown Spokane. Due to the pandemic and the current situation, there is a lot of uncertainty regarding his future plans, but he is hopeful God will determine his next steps and will open doors as He has been faithful to have guided him in the past.

Princess Bumanglag received her Associate Degree in Arts and Business Administration at the University of Hawaii, Maui College. Attending UHMC has helped to advance her insight about business, entrepreneurship, and technology skills. Princess is currently looking for a full-time job where she can use her skills and knowledge that she has gained in school. During her time at UHMC, there have been numerous obstacles that came her way, but she is the type of individual that does not give up easily. She believes that perseverance and dedication are key to be successful. With the opportunities offered here in the United States, she is willing to take all the chances to work hard towards her future and help her family members in the Philippines. Princess is the daughter of Benny and Julita Bumanglag.

Zyra DelaCruz is a graduate of University of Nevada, Las Vegas with a Bachelors in Hospitality Management. Her plan was always to move back to Maui after graduation to be close to family. She has an opportunity to intern at Royal Lahaina Resort and hopes to join their team once the hotel reopens. During her four years of college, she has been a part of a sorority, joined the Hawaiian club, and volunteered in many school organizations. University of Nevada, Las Vegas provided her opportunities to expand her horizon and step outside of her comfort zone. Zyra is the daughter of Romeo & Imelda DelaCruz.

Ethan Evangelista is the son of Edward & Susannah Evangelista and is a graduate of Maui High School. He enjoys paddling, playing video games and hanging out with friends. He was an acolyte member of Good Shepherd until he was old enough to be employed. He works for Skyline Eco Adventures...then COVID happened. Ethan plans to attend University of Nevada, Las Vegas in the fall if the pandemic cases subside. If not, Ethan will attend UH Maui College.

Mahalo to all that participated in the drive thru in honor and celebration of our graduates on June 7th. All the lei, gifts, love and support you all have shown them will provide them the courage as they meet the challenges of the future in these uncertain times.

Congratulations to those celebrating their special day !
