

SHEPHERD STAFF

JUNE 2022

Dear Good Shepherd Ohana:

By the time you read this message, Dixie and I will have been in Maui for one year and 10 months. We sit back in the evenings and wonder where the time has gone. We've done two Christmases and two Easters together as well as countless weddings and funeral services. And now we are looking forward to moving into the rectory that sits in the midst of our commercial properties. We definitely feel at home here in Maui and at Good Shepherd. We look forward to seeing how the years will unfold for us.

We are going to start a Sunday school program for our youngsters beginning Sunday, June 5 at the 9 AM service. We will use a simplified curriculum that is put out by the Episcopal Church and we are hoping to recruit a few of you to help teach. We anticipate that each Sunday school session will last about 20 minutes. We will have the kids leave after the opening prayer and have them come back during the peace so that they can take communion with their parents.

Please know that next month Dixie and I are going to travel to the Philippines to undertake an eight-day silent retreat in Quezon City at a convent called the Cenacle House. The last time we were in the Philippines was in February 2020 where we attended Ash Wednesday services at Quiapo Church. Much has transpired since then and we look forward to going back.

In the meantime, I am resting on the laurels of our Holy Week and Easter services. It was wonderful to be with all of you and the joy that I experienced with all of it heightens my faith in the Resurrection and I see the light of Christ in each and every one of you.

Until next month, please take care.

Peace,

Moki+

Dear Fellow Good Shepherds,

Another month has past and it is now June and the approach of the middle of the year and the start of summer. It is time now for all the summer programs that are now going into full swing after a two year hiatus. Travel is less restricted, except for the increased costs, but still eased enough that we can plan and take all those trips we were forced to postpone.

It is also an active time as well here at Good Shepherd. Work continues on getting our buildings and grounds in order and especially our new Rectory...ready in time for a new Rector...

Our Bishop has made a long pandemic delayed visit and met with the Vestry as we plan what lay ahead. An initial start to resuming Sunday School has happened and we look forward to future formation events. Worship continues with a choice of indoor, outdoor, or online services and we can look forward to doing more things together as we cautiously move forward into this post pandemic future. Make no mistake, Covid is still with us and will still be with us for awhile, but we have learned how to deal with it and can do the necessary protocols as needed.

As if the year isn't moving along fast enough, we have Fall to look forward to and more events to plan so let's take this time to enjoy a wonderful summer and be ready for an exciting season ahead. Stay safe and healthy.

Faithfully yours,

K. Peter Lee, Senior Warden

Commercial Properties

Our new Property Manager, Michelle Del Rosario (Keller & Williams Real Estate), has signed a 4 year-11-month lease for one of our two vacancies. We now have just one vacancy in the commercial properties. Michelle recently posted it for lease, and we are hopeful to find a tenant in the near future.

On May 21st, Saturday, the two-story building and the blue building on Church Street was power washed and painted by Pacific Painting & Refinishing.

The rectory project is moving along well. Sean Brown finished all the rough framing and Dutch Akana and his crew worked on the drywall in May.

While the drywall was being finished, Sean was working on the exterior siding.

We still hope to have the rectory ready for Father Moki and Dixie to move in by July.

Brian Shuster, Property Management Chair

GARDEN SHARE

A month ago during Food Waste Prevention week we were reminded to be committed to stewardship of the food resources that we have been given by God. Your home garden growing nutrient-dense fruit and vegetables is the best way to care for our land and provide a great source of nutritious food for our family, friends and neighbors.

Most people who grow in their home garden end up with more of one thing or another at harvest time. The coming months will be a time of abundance and you may have fresh produce that you could share.

Each Sunday we will have a space near the coffee hospitality after our 9:00 AM service where you can share from your garden to the tables of our church community.

PLEASE ... Bring anything you have that is extra. Even a small squash will provide for someone. It's a simple enough idea, but the impact can be profound.
